POSTER DESIGNING COMPETITION - 2023 REPORT

19th August: A poster making competition was initialized on 19th August by the Anime Community, YCCE, by making a registration post on Official Instagram handle. Through this poster competition a lot of young anime enthusiasts were given an opportunity for expression of their creativity, thoughts, ideal and inspirations. The registrations were organized and collected through the use of Google forms. In just the span of a few days, a lot of enthusiastic artist submitted their designs and artwork. Before the submission deadline of 27th August an impressive amount of submissions were received. All of the poster were share-worthy and very well crafted and it really tell us about how invigoratingly creative the youth of YCCE is.

1st September: The participants were given E-certificates and exceptional 3 posters were selected to be the winners and were certified. The winners were mailed with a certificate of appreciation, and all the participants were given a certificate of participation. The event was a huge success with over 57 participants successfully turning in their artwork. The winners are-
